The Viaduct project partners cordially invite you to the VIADUCT Interregional Analysis Report Presentation, that will take place **online on April 17th, from 12:30 pm to 2:00 pm (Madrid Time Zone)**.

The invitation aim is to delve into the insights presented by the VIADUCT Interregional Analysis Report, **an exhaustive examination of research-based spin-off creation across diverse European regions**.

The VIADUCT project aims to promote knowledge transfer and commercialisation of public research by addressing key barriers related to the creation and establishment of spin-off companies through the improvement of regional policy instruments.

This report stems from a meticulously designed thematic survey aimed at **refining support and promotion measures for spin-off companies**, thereby fostering their sustained growth and success.

We will be going through the content that this report covers:

- Insights from a thematic survey targeting spin-off companies, researchers, business founders, and stakeholders.
- Analysis of main barriers in the spin-off creation process.
- Regional perspectives on current support measures and methodologies.
- Objectives of the interregional analysis and strategies for improvement.

In order to:

- Gain valuable insights into the **challenges and opportunities in research-based spin-off creation.**
- Learn about **effective support measures & strategies from European regions.**
- Engage in discussions to **foster collaboration and knowledge-sharing among European stakeholders.**
