Winter school PHENOCYCLES - TM

12th – 14th November 2025

ICAM, Timișoara, România

Agenda

CONTEXT

PHENOCYCLES is addressing **the environmental concern** derived from **agro-industrial wastes** proposing their exploitation for obtaining important bioactive molecules (polyphenolic compounds: PP), to be utilized for different purposes, with a typical **circular economy approach**.

Wednesday, 12 th November 2025
